

Notification Statement

In accordance with 40 CFR § 257.94, the owner or operator of a CCR unit must prepare a written notification stating that an Assessment Monitoring program as required under 40 CFR 257.95 has been established. This document serves as Basin Electric Power Cooperative's notification that Assessment Monitoring has been established for Ash Pond 2, Ash Pond 3, and Ash Landfill (monitored as a multi-unit system), and the East Emergency Holding Pond and West Emergency Holding Pond (monitored as a multi-unit system). Basin Electric Power Cooperative is pursuing an Alternate Source Demonstration for Ash Pond 1 (monitored as a single-unit system).
